

(please wait for the band to be in place on stage before beginning the intro)

We are so excited to have ShirLaLa with us today!

She is an award-winning performer, educator and artist, named one of the “New Re-Engineers of Jewish life”!

She tours all over the world. In England, Australia, New Zealand, South Africa, Israel, and today in _____.

We can't wait to meet you, ShirLaLa. Before the concert, LaLa told me that this is a full on participatory dance party. Are we ready?? Yeah??

Stick around after the show for the High Five Hand Slappin' Hug Fest and take home music for you family.

Now, please welcome to the stage and put your hands together for ShirLaLa!
